Come And Join Us and Help Us Save Filton Airfield

**March With Us From
GOLF COURSE LANE – MAIN GATE
TO RODNEY GATE (A38) DOWN THE HILL**

Despite what you may have heard in the media and from certain vested interests, thousands of long term manufacturing jobs (your job?) may be threatened if the airfield closes.

The worrying loss of contracts abroad flies in the face of Govt. policy to support UK manufacturing; this will not be helped by the loss of the airfield.

Help us to save and attract long term aircraft manufacturing jobs here by helping us to save the airfield and its past, present, and future role in supporting aircraft manufacturing work here.

Do you live, work, or travel here? Imagine the traffic carnage with some 5000 more houses on the airfield, and a further 5000 around the area. Stop this gridlocked madness and short term thinking being imposed on you NOW!

Please join us from;

12pm on Saturday 18th February 2012

And bring your family members along too, please support their future.

Filton Airfield should be Regenerated, NOT Redeveloped!
